Edward Wilson Polar Workshop

Dear Parents/Carers,

We are delighted to book a history workshop for Year 2 pupils linked to our learning on Captain Scott's expedition to the South Pole on **Thursday 13th February 2025 12.00-3.00.**

Apologies this is short notice for you but the museum did not confirm the booking until today.

The focus of the session will be about Edward Wilson, from Cheltenham, who travelled on Scott's infamous expedition as a physician, artist, ornithologist and scientist. The workshop will allow pupils to see a variety of artefacts, pictures and clothing, followed by a hands-on session during which children undertake activities which include object handling, drawing and dressing-up. We are very excited about it!

We will be walking there, leaving at 12.00, and will be back for home-time. Children will wear uniform and will need their waterproof coat which should be in school each day anyway. We will have an earlier lunch that day before we leave.

We will need parent volunteers to accompany us so if you are able to help, please let me know.

In order to cover the cost of the trip, we are asking for a voluntary contribution of **£3.50**. Your contribution is entirely voluntary and your child would not be denied a place just because you were unable to make a payment. However, we will not be able to proceed with the trip unless there are sufficient contributions for it to be financed. If you need financial support, please come and see us.

Please make your payment and give permission on-line on the Schoolmoney website (Eduspot) by Friday 14th February 2025.

Many thanks for your support,

Mrs J Proctor
Year 2 Teacher
