Easter Bunny Ears

One of the most classic Easter crafts is the tried and true Easter Bunny ears! This is a great craft for kids that they can wear and play around in. Make a set of ears for everyone in the family - take a picture and you have a priceless Easter card.

Easter Cross Craft

This pretty craft stick Easter Cross craft is fun to make when celebrating Easter. Children paint two craft sticks brown, glue them together to form a cross and place in an egg carton section stand. A strip of purple felt is cut and glued onto the cross and flower stickers are placed onto the egg carton section.

Peek-A-Boo Chick

Watch the baby chick hatch out of the egg in this peek-a-boo chick craft! This craft is a tried and true kid favourite and we've made it easier (with our included template) and sturdier (using craft foam) than before. This peek-a-boo chick makes a fantastic preschool craft for Easter and a great decoration when you are done.

Sock Puppet Bunny

Year 1 made sock puppets as part of our Toys topic in the Autumn term.

Use up those odd socks and have a go at making a sock puppet rabbit. Turn a sock into a bunny with a little felt, glue and googly eyes or just simply using card and felt tip pens. When you are done with this one, you have a fun toy.

Easter Bingo

Easter Egg Hunt

Make some Easter eggs out of paper. Put the numbers 1-20 on them. Get someone to hide them around your home. Can you find all 20 eggs and put them in order?
