

Christ Church C of E Primary School - 2021

Online Home Learning Guidelines for Pupils

I want to stay safe online and I know that anything I do on the computer, phone, tablet or internet may be seen by someone else.

I will:

- ❖ Only open pages which my parent, carer or teacher has said are okay and safe.
- ❖ Talk to my parent, carer or teacher before using anything on the internet that I'm unsure about.
- ❖ Tell my parent, carer or teacher if anything makes me feel scared or uncomfortable.
- ❖ Make sure all the messages I send, and comments I leave, are polite and positive.
- ❖ Tell my parent, carer or teacher if I get a message that makes me feel uncomfortable, and I will not reply.
- ❖ Not give my phone number or address to anyone online.
- ❖ Not tell people about myself online (I will not tell them my name, anything about where I live or where I go to school, names of clubs I attend).
- ❖ Not upload photographs of myself onto the computer or internet without my parent or carer's permission.
- ❖ Keep any passwords I have private.
- ❖ Only speak to people I know online and on the phone.
- ❖ Never agree to share photos, phone, video call or meet a stranger.
- ❖ Always make sure my parent/carer knows who I am talking to or messaging.

Teams

When using Teams, think about your online behaviour - you should be polite and positive, and your comments should be related to your learning

Remember - teachers can see exactly who posts what on Teams

- ❖ If your teacher wants you to create a post, for example taking a picture of your work, they will tell you where to post this e.g. in assignments, replying to a post or in your private channel.
- ❖ If you are posting photos of your learning, please remember to do so safely and remember to always check with your parent/carer before uploading a photo.
- ❖ When attending a live meeting or lesson, behave as you would in the classroom and dress appropriately.
- ❖ Remember to show our school rules: 'Ready, Respectful, Safe' at all times when in a live meeting or lesson.

UNACCEPTABLE USE

Examples of unacceptable use include, but are not limited to:

- ❖ Sending messages or comments that might upset other people.
- ❖ Using another person's username and password.
- ❖ Looking at or changing work that belongs to other people without their permission.
- ❖ Sharing pictures or making video calls without checking with your parent/carer.
